

TOE JACKS

Economy

2, 5 & 10 Ton

**JUST THE POWER YOU NEED
AT A PRICE YOU CAN AFFORD.**

- These bottle jack-style toe jacks are loaded with many of the same features as our standard bottle jacks, but the toe-lift feature and swiveling pump handle socket make them ideal for machinery lifting and positioning.
- An internal pressure relief provides added safety by limiting the jack's lifting capability to the capacity of the toe.
- Spring return is an added feature on the larger jacks.
- Swiveling pump handle assembly available on the 5 and 10-ton models. The swiveling jack assembly allows you to access and pump the unit from numerous positions.

DIMENSIONS

Order Number	A		B		C (in.)	D (in.)	E (in.)	F (in.)
