

Model A3000

Steel Upright - 50 Gallon

Tank Size: 35½" long x 13" wide x 26¼" high

Product Weight: 124#

Steel tank assembly with diamond plate top section; fully baffled bottom section; two, 1¼" NPT female or screw in bottom ports, internally diffused; dual mounting rails (2" x 2" x ¼") welded to tank assembly. Tank is powder-coated black. Features filtered breather vent in tank top for increased air exchange; filler breather assembly – including 40 micron filler breather cap (chain-mounted) with stainless strainer basket and bayonet closure. ASK-200 Mounting and Spring Kit includes four, pre-drilled, powder-coated mounting angles; plated bolts; washers; Nyloc nuts; and four, plated springs. The mounting kit is boxed and shipped in the tank assembly carton. The complete unit is packaged in a single carton and shipped via UPS.
